

The Moose—Lodge 332
Women of the Moose—Chapter 528
D'Iberville, MS.

January 2026

Official Visitor Meet and Greet on the evening of January 20, 2026

John R. Reiter, Chairman of the Moose International, Inc. Board of Directors, was elected to his position in May 2025 during the 137th International Convention in Milwaukee, Wisconsin.

We're excited to host an informal meet-and-greet so everyone can say hello and get to know him. We'll share more details at our general meeting on the 14th, including what time John will be arriving at the lodge. to see you there!

We were honored to sponsor the Creekbend Elementary Special Needs Class Christmas Party, and it was truly a heartwarming day filled with joy, laughter, and holiday magic.

Santa Claus, Mrs. Claus, and our cheerful Elf made a special appearance, bringing smiles to every child's face. Watching their excitement reminded us why community matters so deeply—because moments like these create memories that last.

Thank you to everyone who helped make this celebration so meaningful. Together, we continue to spread love, support, and holiday cheer throughout our community.

Rally Day Highlights

We were delighted to donate our Build-a-Moose crafts to both the Center for Non-Violence and CASA of South Mississippi for their Christmas parties for the children. These festive moose kits brought smiles, creativity, and a little extra holiday magic to the celebrations.

Supporting these organizations and the children they serve truly reflects the heart of our mission and the spirit of giving that defines our chapters.

We were honored to welcome Linda Perkes from CASA of South Mississippi as our guest speaker. She shared the powerful mission of CASA: to provide specially selected and trained community volunteers who advocate for abused and neglected children in the pursuit of safe, stable, and permanent homes.

CASA volunteers play a vital role in the child welfare system. They gather and research background information, meet with the child and all involved parties, and present fact based recommendations to the Judge to help ensure that decisions are made in the child's best interest.

As part of our Heart of Community initiative, we were proud to donate funds to support CASA's life-changing work. Their dedication to giving vulnerable children a voice truly embodies the spirit of service and compassion we value so deeply.
